Dear Cousin.

I surely hope you are not in the dog house for not answering your letter soon. I have been very busy around the Kossierne household with school starting, churning and all the other little housewifely chores that make the household run smoothly!!!

I finally got a two drawer filing cabinet and spent last week organizing all my families. I sure make things a lot easier. You have a special folder all to yourself. I haven't found out anything new about our family but did meet a lawyer from Massena, New York. Not to far away from you in August and he knows some Turkey's and is going to see him for me. plus he is going to do some other checking for me. I surely hope something comes of it. I also found out that the farm that John Freeman had in Saratoga County was 20 acres. I saw a drawing of it in a book. I have a couple of places to write to in New York about the Turkey's and hope to get them written this week.

We had a chilly 34° yesterday morning and was cold all day & today isn't much warmer. They are going to start picking apples this Saturday. The crop is pretty big but the apples aren't. They are the size the orchardists like but are miserable to pick. School will get out for Harvest probably the last week of Sept. & the first week of October. The pickers have started to arrive already. ^{and} ~~and~~ are sure to have some creepy looking ones also. Oroville seems to be the hub for all shippers as we rarely have a lot of family groups

But I am here. I don't care what the adults do but I sure
feel sorry for the little kids.

Stick has over 600 kids in his school
but so far everything is going smoothly. Our little 5 year
could have started Kindergarten this year but Stick decided
that he wasn't ready. He firmly believe that boys should be
6 before they start. Our daughter Kelly really likes high school
and is a cheerleader for the wrestling team. She did some
growing this year and is between 5'7" + 5'8" and she is taller
than I am. I'm not concerned about her height but sure hope
her feet don't grow any more. She wears a size 10 and has
very narrow feet and it is difficult to find shoes for
her.

I start bowling tomorrow night and that
will last until April. I'm really not enthused about it this
year but it is a night out. Well the city finally decided
to turn the water back on so had better slow and get
some things done. By far now and hope my next
letter will be a little more interesting.

Sincerely,

Verne Fiskerson

Miss Vera Leduc.

Well it is that time
of the year again to be Happy & Jolly.
Apparently someone forgot to tell all
the shoppers I have seen. They are
supposed to be happy. Maybe their
checkbook lacks the Christmas spirit
as mine does.

I joined the Yakima
Genealogy Society and it is really
nice to be able to my own research.
Martin Burley hired a professional.

but so far he hasn't come up with
the immigrant ancestor. He did find
a Snyder descendant in Brooks, Alberta.
Their names are Howard & Doree Little
& with her help have Elizabeth Snyder
family back to Germany. The Snyder
family were from Dutchess Co N.Y.

Elizabeth's mother's maiden name was
Newberry & I'm beginning to wonder if the
middle name of Duberry we have should not
be ~~Newberry~~ Newberry (Newbury) or vice
versa. (Elizabeth's mother was Duberry ???)

When does the Duberry name show up
in your info for the first time?

After January, I'm going to research
the Duberry name in Michigan a little
more seriously than I have been.

I did find a lady in Michigan that
has a Mrs. Doree Freeman in her family
but haven't written to her yet. I'm in
the process of organizing & indexing
my info & I think I need a
computer! What a mess.

The weather has been cold this week but with blue sky and sunshine. We had a snow storm the week before Thanksgiving but that is all we have had. We usually get snow when they don't predict then when they do!

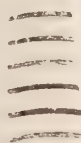

^{last} Sunday + she + Kerry decorated the tree Monday night. It is really nice to have a tree that looks like a tree again. All the ones we had in Orono looked like something out of a Charlie Brown Christmas Special!

Herbert - Here is wishing you + yours a Very Very Happy Holiday Season + New Year.

Mr. Herbert C. Burleigh
Bath, Ont.

Dear Sir,

I have just been reading the Perry Family Tree of Ernestown as recorded by Dr. Burleigh. Recently a cousin from Kennewick, Wash., visited in my home. Her grandmother was Harriet Burleigh who married Andrew Ryan and they lived in Colorado. Most of Harriet's relatives lived in Michigan. She lived at Belle River, Mich., at one time. A sister Lydia Higgert lived at Kalamazoo, another sister Augusta Barthes at Riley Center, and a brother J. B. Burleigh at Seamington. Some of the names are spelled Burley. There was also a Charles A. Burleigh.

In 1912 and 1913, Harriet M. Burleigh Ryan, born Nov. 26, 1847, died July 19, 1921, and her husband Andrew Ryan visited in Ernestown, Odesa, Morven, and Napanee. From Murvale, Ont., Andrew wrote that they had visited Harriet's old homestead. Robert and Annie Burley are mentioned. Miss Kittie Sharp, the daughter of the man who bought the homestead was mentioned, as was a woman they called "Add" who must have been Adelaide, a sister of Harriet's.

I am a descendant of Robert Perry, born March 2, 1751; of his son Daniel, born Sept. 1, 1779;

My grandfather Jacob Comer Perry, b. 6/11/1844; d. 1/1/1872; who married Lucina Gates Ryan, was killed in a saw-mill accident when my father was one week old. My father Jacob Clayton Perry, born 12/25/1871 in Fairview, Pa., died 9/10/1938 in Perry, Ohio, where he spent most of his life. My father had two children:

Kathryn Lucina Perry, b. Dec. 14, 1894 - never married

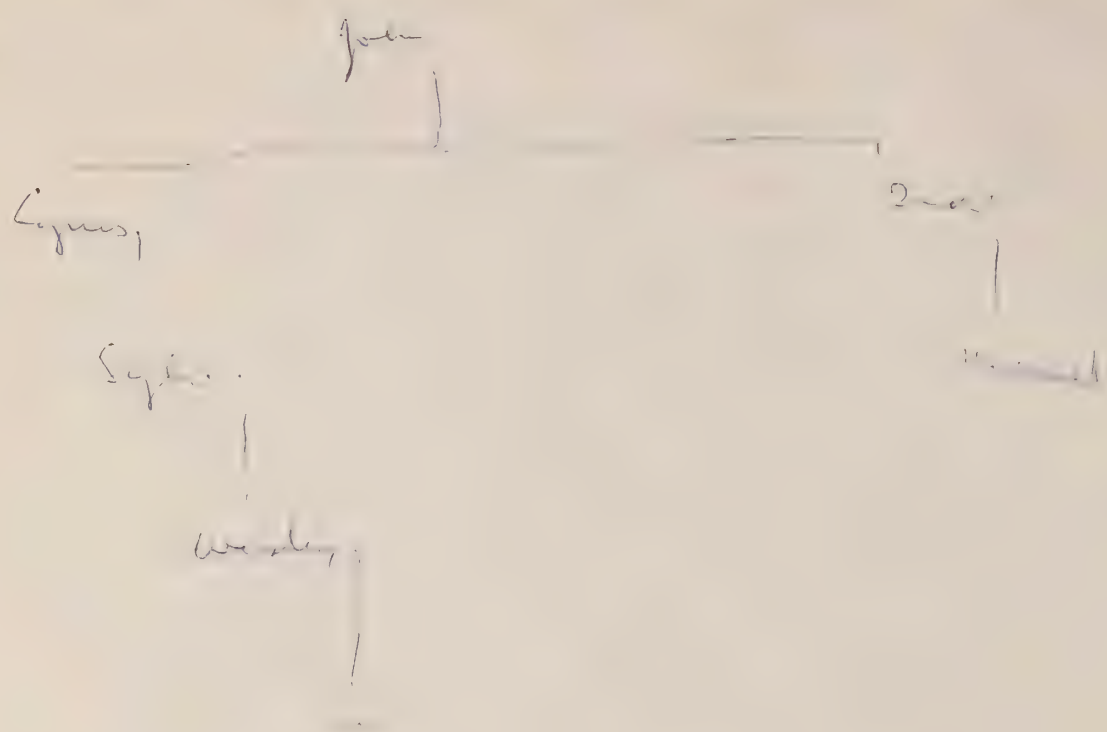

Helen Jeanette Perry, b. Oct. 6, 1898 - married

George N. Smith Aug. 3, 1929. (I am Helen)

We have the records of the Calvin Wooster Perry and Catherine Lake Perry, children and descendants. There were ten children in that family including my grandfather Jacob Comer Perry and Jane Almira Perry Hogle. In a letter from Harriet Burlingh Ryan she mentions Uncle Calvin who lived 2 1/2 miles from Cole Brook, Camden Twp., Ont.

I have deduced that Hattie Burlingh Ryan's daughter Edith and my father Jacob Clayton Perry were 4th Cousins on Hattie's side of the family. They are 1st cousins on the Ryan side. The lady who just visited me, a daughter of Edith is my 3rd cousin on the Ryan side.

It would appear from the Perry Family Tree that the Burlinghs are descended from the

Ebenezer Perry family: Ebenezer was a brother of Daniel and uncle of Calvin Wooster Perry.

If you can show the connection of the Ira Burleigh family with the Robert Perry and Daniel Perry families I would appreciate hearing from you. There were ten children in the Ira Burleigh family including Harriet and those previously mentioned.

We do not have records of the brothers and sisters of Calvin Wooster Perry.

Sincerely yours,

Helen J. Perry Smith

March 30, 1976

Dear Mr. Lurleigh:

First of all let me introduce myself. My name is Verma Kasecrans and I live in Proville, Washington U.S.A. In the last month I have started trying to do a family genealogy on the Lurley family. My mother was Edith Della Lurley, the daughter of Ora Ezekiel and Effie Victoria Lurley of Belt, Montana. Your name was given to me by Marlin Lurley of Molins, Oregon. He thought possibly you could help me with my Lurley family as your Great Grandfather ^{BORN Sept. 8, 1793} Cyrus Lurley was a brother to my second Great Grandfather ^{BORN MAY 31, 1836} Ezekiel ^{BORN MARCH 26, 1766?? BORN MAY 8, 1775} and their parents were John & Lydia Lurley. Her maiden name was Richmond and they had 11 children. I know absolutely nothing about the family except the names of their children and their birth dates. I have no idea where John and Lydia were born ^{or died} or their children or really anything about them. and I'm really not sure of John's correct birth date. In fact I really don't

know that much about my Great Great Grandfather
Ezekiel. I do have his birth and death dates
his children and their birth dates and his
wives names. I've enclosed a sheet on
Ezekiel and his family and all the information
I have. I would really appreciate any
information you could give me and would
be very happy to exchange any information
that I have that you might want. I'm finding
that the Lerley family is a very interesting
one and want to know about all of them or as
many Lerley families that I can. I thank
you for taking the time to read this letter
and for enclosing a ^{self addressed} ~~stamped~~ envelope
and some money for postage to answer at
your convenience.

Sincerely

Mrs. Anna R. Rosacrans

Dear Herbert

Had you think I had left
the country? I think I'm only a
month late in writing. I was really
beginning to think the sick leg was
going to be our fifth family member.
You know it and we had it. After
throat has really been back home &
Katy has had it twice. He really had
us worried for a while. I was beginning
to wonder if he was ever going to be
well again.

Nothing new to report on the
Turkey family. but have a couple
of leads to work on. C. H. Spauldell
in Battle Ground Wash. said his wife's
father name was Thomas Turkey &
one of his sons now lives in
the name of Spauldell in the area &
I think his wife Turkey family is
connected to one Mr. Spauldell said
all of his wife's family had passed
away but there are some Turkey's
living in the area. There is a woman
involved in a murder trial down
there. name Turkey.

My dear Mother
I have just received your letter of the 10th inst. and am
glad to hear from you. I am well and hope this
letter finds you the same. I have been thinking
much of late about the future of the world and
the state of the human mind. I feel that we are
in a very critical position and that the future
of the world is in the hands of the people.
I hope that you will be able to do something
to help the world in this time of need.

I am, Mother, your affectionate son,
John Doe

Yours truly,
John Doe

is that it is now a major library!!!

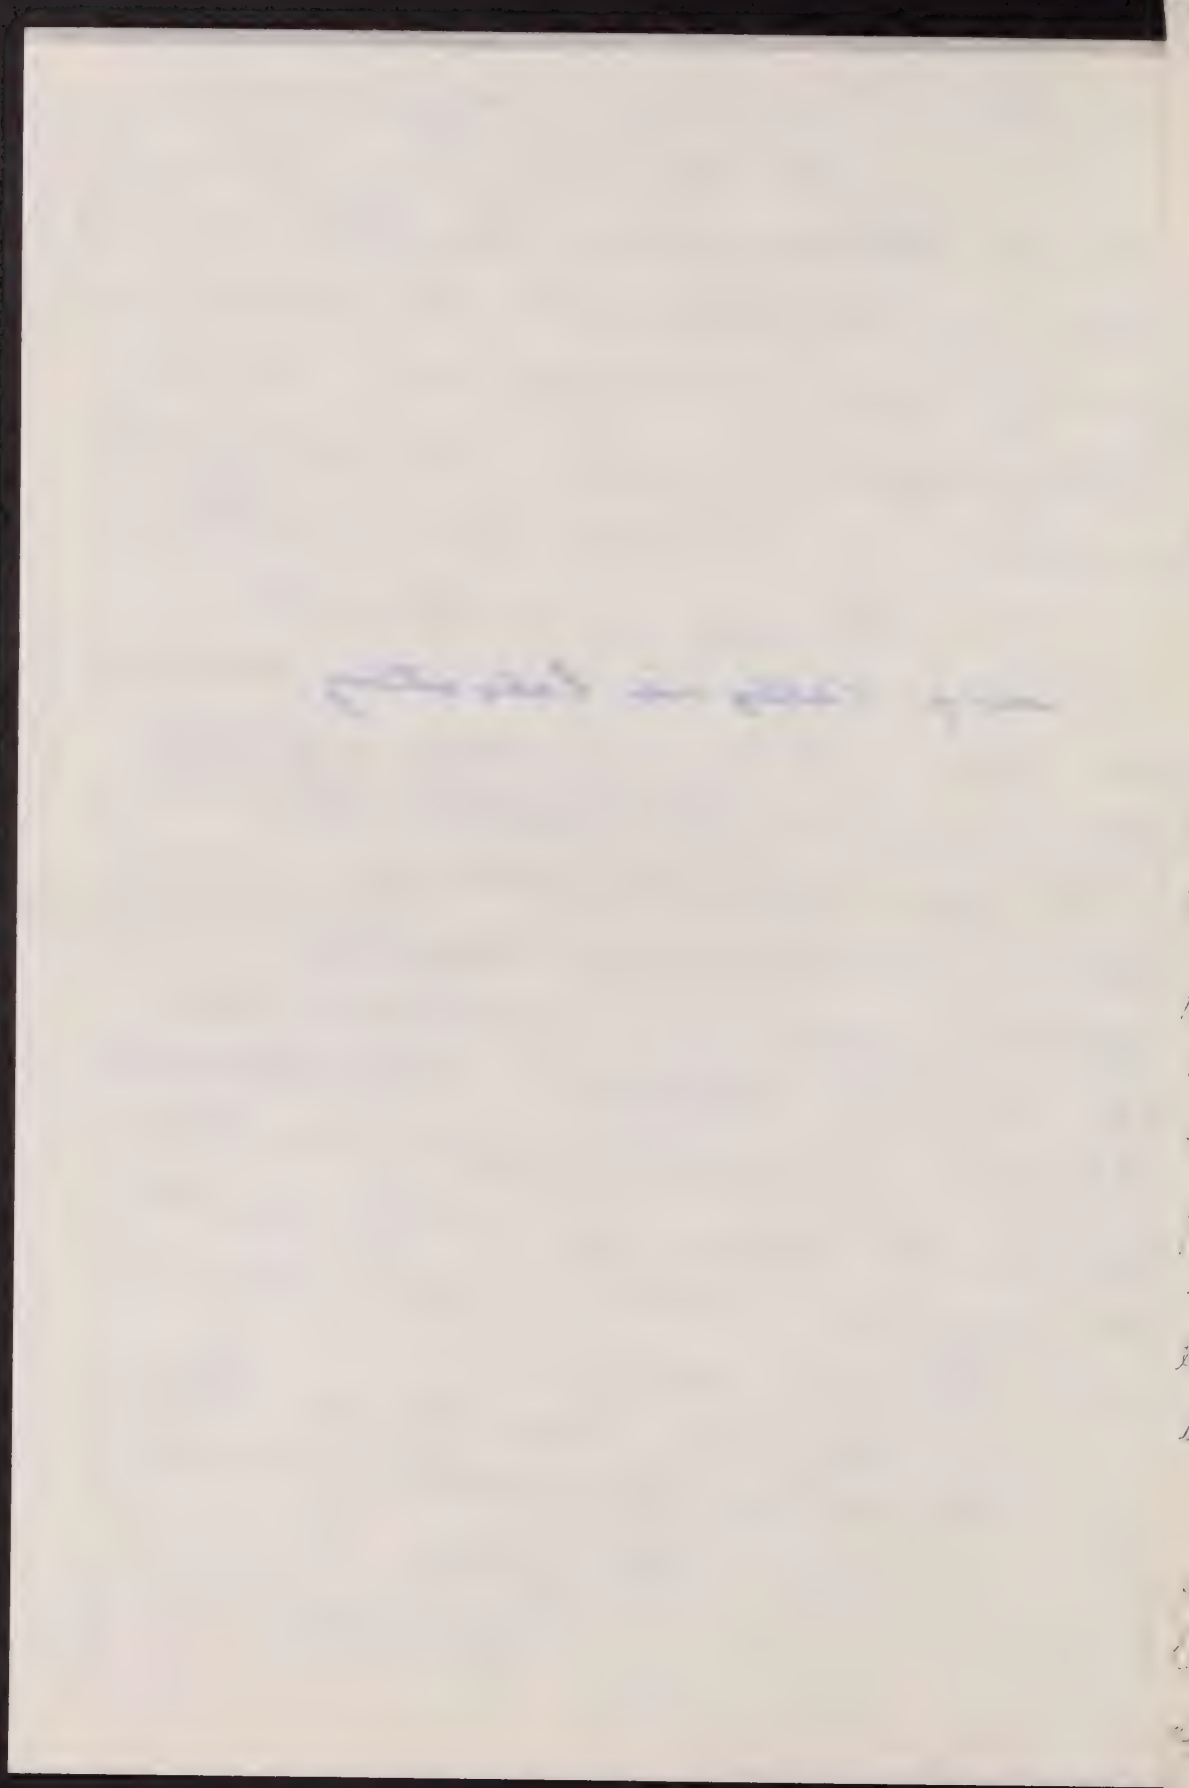

I haven't heard from
Martin Lundy in a long time so I sent
him if the professor he heard had
found out anything or not. I have
really enjoyed your books and find
something new in them all the time.

Really quiet here this
evening. Kelly is babysitting, Gary is
in bed & Nick is watching a western
movie on T.V. It is getting that time
of the year where everything is a rerun.
Monday night baseball will start so-
April & on Wednesday night we get
the Expat or Blueys on the Canadian
station. I ordered 35 books from the
library two weeks ago so that will keep
me busy for a while. I just hope they
don't all come at once!

Have a Very Happy Easter
& a Nice Day Write when you can.

Sincerely

Pauline & Family

Dear Cousin

Thank you for taking the time to
 answer all the questions that Marion asked me.
 I was so glad to get both your letters and hope
 this means I will get a letter every now and then.
 They don't even have to be about the Dursley or
 Flems family. I just enjoy your letters.
 One question I do have though - Do you still
 have copies of the 1st books you wrote & if the
 price for both still £12.00? I would like to own
 both of them as I've seen in your next letter -
 - will send you the money. Also did you ever
 find out how to get a copy of the book "Chart of
 the Middle" and how much a copy was? This is
 the one that told where some of the Dursleys lived
 in the United States.

Well I have I've seen some letters
 in the past couple of weeks and as for the report
 have brought a big fat one. There are letters with
 my family names in them anyone who writes letters
 mentioning Dursley should get a letter. I hope you
 will! My best love to you - very truly, your cousin,

The little school kept showing a profit for the first
time in years this past year!

The weather has really been dreary
for the past week & a half. It has been absolutely
nothing except warm & temperate rain. I have
been cloudy, heavy & foggy. When I went out to
get the paper yesterday morning, the birds were really
singing as if it were the first time I have
heard them since last Sept or maybe they from
that spring as in the way, soon - I hope I shall
see you this Saturday then in ready for warm
days, blue sky & sunshine.

My husband Dick is going to Seattle in
his undertaker at the end of this month and apply
somewhere else. I am hoping he will be at the end of
the school year. I fear he has spent most of the
school year in Court trying to get his business
dismissed, which is very hard to do in the State
of Washington. They are a husband and wife team
- I think need help. I know all the ignorant people
in the State of Washington live in Okanogan County
& all of them are Okanagans. Okanagan is a town for
the happy & welfare people.

Oh, you didn't send me a picture
of you. I like to see the picture & would love to have

now. I did send you a family picture of my family
a year ago Christmas, didn't I?

I wrote to Mrs C. E. Donahall,
descendant of David Denny & her husband answered
the letter but he didn't know anything about her wife
Dorothy Denny. He did say that her father homesteaded
in La Center, Wash. in Clark County & is going to write
to the Clark Co. Historical Society. Also a friend of mine
from here has relatives living there & they have been there
since the 1900's & she is going to write to her Aunt
there & see if the Denny name is familiar.

The one family that I don't have
to trust rope on is your Cyrus (our John's son)
and on down to your family and would like to have
it, if you have some spare time & I'm sure Mother
would like to have it for the Denny-Lindergarten Book.

My little two year old ^{boy} comes today
and then I have an extra 5 year old girl that is in
Mary's Lindergarten class. I feel like a real "Old
Woman on the Street" sometimes. The four year old girl
mother doesn't like to pay me so had to go down to
the bank and collect from her. I don't like to be that

but she needs me now - She can afford to be without
of her Minkings & all in a few weeks, the day!!
It seems like the attitude today is to see how much
the average person can take of a person.

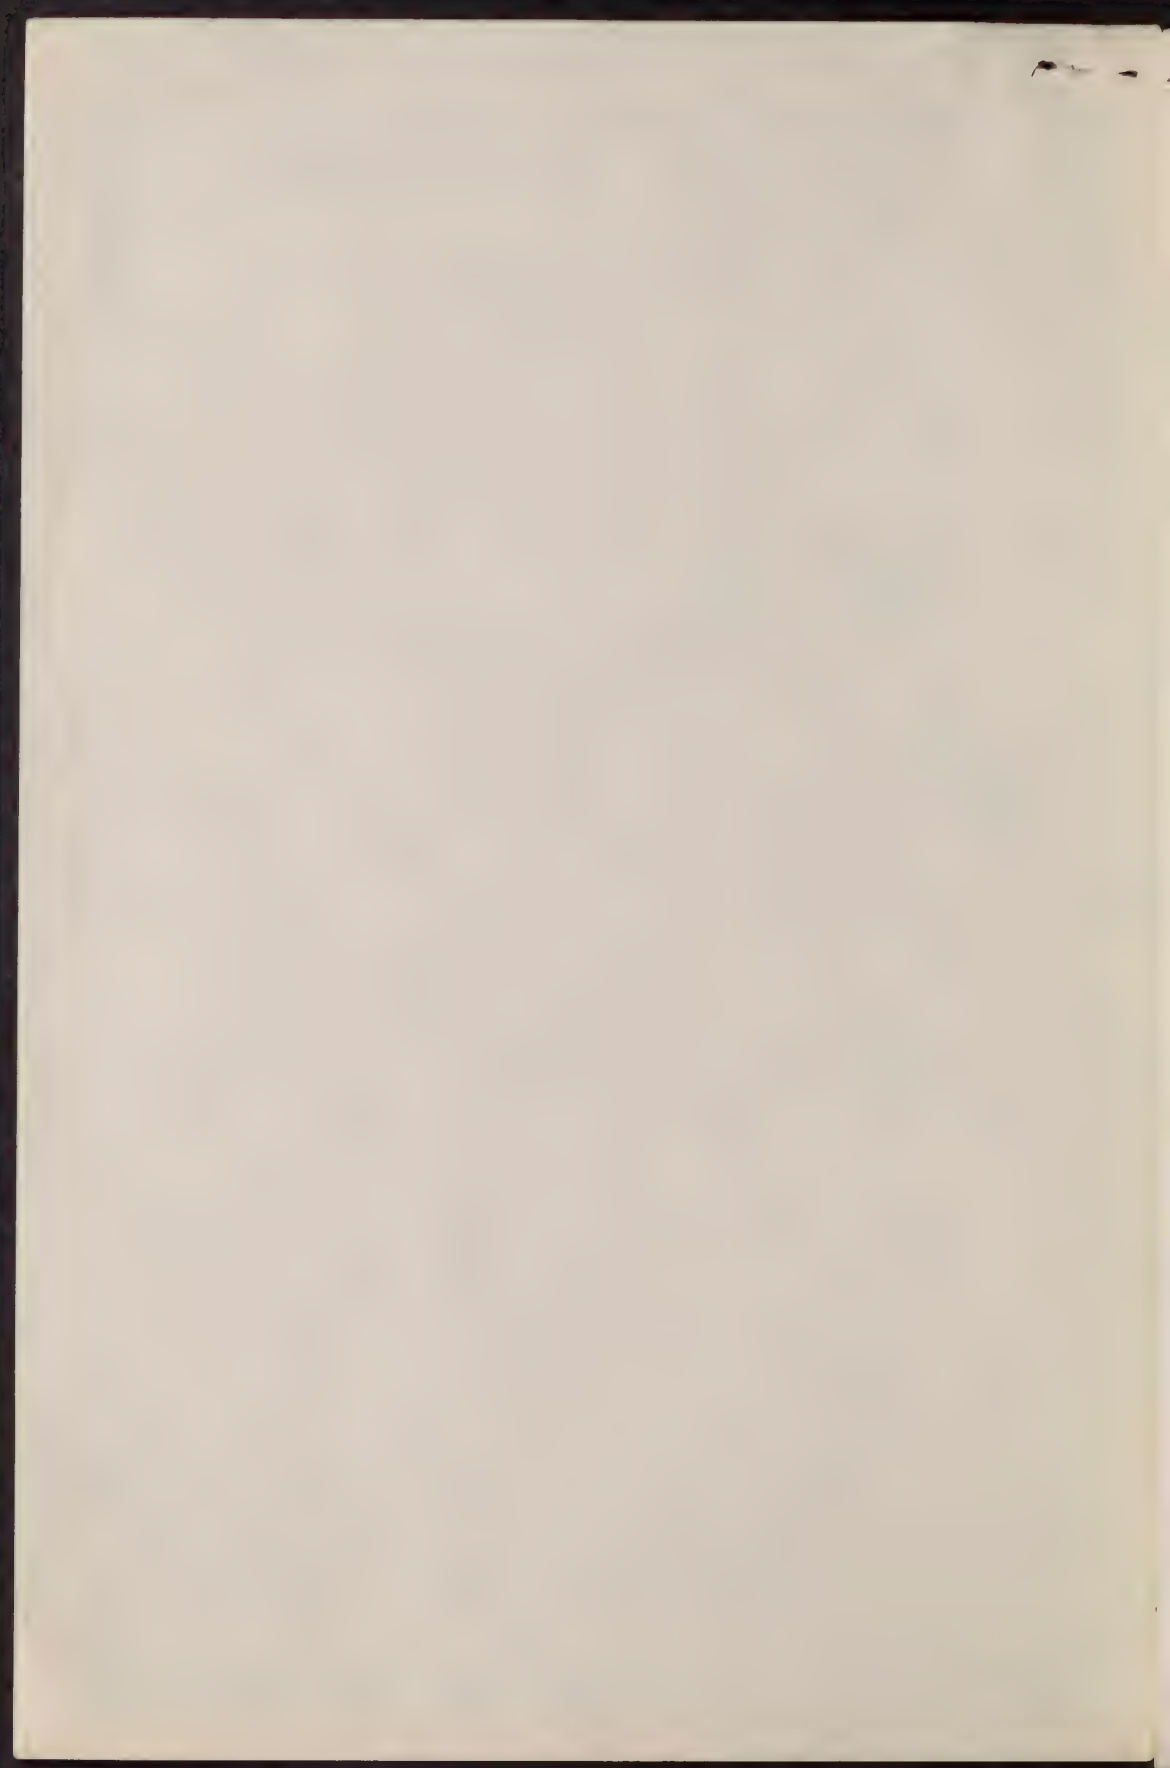

Well I suppose I had better close
and leave my love of Super-Market, Mike & Alan.
By for now - Thanks again for answering all the
questions - Hope to hear from you again. Really
desperate and quiet at the moment as everyone has
gone - I'm enjoying my cigarette & cup of coffee
smoking in my own little habit - but I do
enjoy them - By for now

Sincerely, Your Cousin, Theresa

Dear Sir: IV

My brother's widow sent
me the message from you to my brother.
I am the youngest of five children
of Nelson Robert Burley of
Napawee, Ont. I can't tell you
much of the family history. My
father was one of 10 children &
his mother's maiden name was
Annie Sharpe. Don't know
my grandfather's first name,
but rather think it was 'Robert'.
My parents moved from Ont.
to No. Dakota Territory - where
the last 3 of us children were
born & raised. The two older girls
were born in Ontario. Our only
brother was an attorney in

~~the~~ Portland for 35 or 40 years until
his death ten years ago. The next
to eldest of sisters still living is
San Francisco. She is Mrs.
Annie Burley Root. I am Elizabeth
Burley Davison, living in
Seattle & we are the only members
of our family left.

Sorry I can not be of more
help to you. So far as I know
there are no members of Papa's
family living - except maybe
Jan Cameron, an attorney in
Vancouver, B. C. - the son of
Papa's eldest sister, Mrs. Chas.
Cameron who lived in Vancouver.

Good luck to you,

Elizabeth B. Davison.

1. The first part of the document is a letter from the President of the United States to the Secretary of the Navy, dated March 10, 1899. It discusses the appointment of a new Secretary of the Navy and the transfer of certain duties to the Assistant Secretary.

Matthias Rose, on way to Canada, joined Jennings 12 Oct 1780 at Ticonderoga. Arrived St John's 31 Oct 1780, likely with wife, stepson John Bawley & two daurs, Patience & Experience. Where was John between arrived and Nov 1783? Likely lived out. In Nov 1783 Patience & Experience still with stepmother. Early in 1784 Patience married Philip Switzer. Thus, in May 1784 Matthias Rose, wife and two children, John Bawley & Experience Rose were at St John's awaiting boat for Cataragui. By 7 Oct 1784, Rose with wife and stepson, John, and daughter, Experience, were settled in Township 2 (Emmettstown).

I did find the following data which you probably have:

Amenia Church of Christ in the Nine Partners, Dutchess County, N. Y.

Baptisms:

Freeman, Ann, Jan. 1, 1815.

children
John, June 5, 1757
Robert, Dec. 12, 1757.
Elijah, Aug. 5, 1759.
Jonathan, May 1, 1761.
Solomon, Nov. 8, 1767.
Mary & Sarah, Sept. 29, 1771.
Ferdinand, Nov. 12, 1775.

.....
I discovered the Original Supervisors' Records of the Dutchess County Clerks Office. The records are now in the Historical Room of the Adriance Memorial Library, Poughkeepsie, New York. The only portion that has been ~~published~~ reproduced is the few records in the vicinity of Hyde Park, N.Y., by the late President Franklin D. Roosevelt, which is of no assistance to us. The past two Saturdays I have been driving the 200 mile round trip and spending all my time on these records from 9:00 AM to 6:00 P.M. It is a very tedious job, as there is no index. It is very easy to slip over names after a few hours gazing at name after name and page after page. However, I can report to you that the following heads of families were paying taxes in Dutchess County from 1753 to 1762:

name	year	Percinct
<u>John Burly</u>	1753	Beekman
Jacob Rose	1756	Rinebeck
<u>John Burly</u>	1757	Crum Elbow
Edward Freeman	"	"
<u>John Burly</u>	1758	"
Edward Freeman	"	"
Robert Freeman	"	"
Ichabod Rose	"	Southern
Robert Freeman	1759	Crum Elbow
Ichabod Rose	"	Southern
<u>John Burly</u>	1760	Crum Elbow
Edward Freeman	"	"
Robert Freeman	"	"
Edward Freeman	1761	"
<u>John Freeman</u>	"	"

In 1762 Crum Elbow is replaced by Charlotte and Amenia Precincts.

Robert Freeman	1762	Amenia
Edward Freeman	"	Charlotte
James Freeman	"	"
<u>John Freeman</u>	"	"

The first Volume covered from 1729 to 1748--Book "C"

The second volume "D" 1748-1753, has been missing as far back as 1935

The third volume--"E"--covers from 1753 to 1757.
The fourth volume--"F"--covers from 1757 to 1761.
The fifth volume--"G"-- covers from 1761 to 1764.

In two Saturdays I have been able to look through only $3\frac{1}{2}$ volumes, so I have about two more days work left to go up into the last book in the 1770s. It is very easy to miss names, and I will not promise that I have caught all of them. I will give you a more complete report after I have researched the entire series of volumes. I plan to complete this job before returning to Bundle 15 and 80, as it is good weather to drive to Poughkeepsie with no ice on the highways.
